Application No. 10/529,612	:	
Filed: November 15, 2002	:	ON PETITION
Subject: Novel Anthranilamide Insecticides	:	37 CFR 1.48(b)
	:	

Receipt is acknowledged of the petition filed November 18, 2009 under 37 CFR 1.48(b) for correction of inventorship. The petition has been **GRANTED**.

In view of the papers filed, it has been found that during the prosecution of the instant application a restriction was required and therefore, not all of the inventors contributed to the invention as now claimed. Accordingly, this application has been changed by the **deletion of Kenneth Andrew HUGHES and Thomas Paul SELBY**. The application will be forwarded to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of the file jacket and PTO PALM data to reflect the inventorship as corrected.
